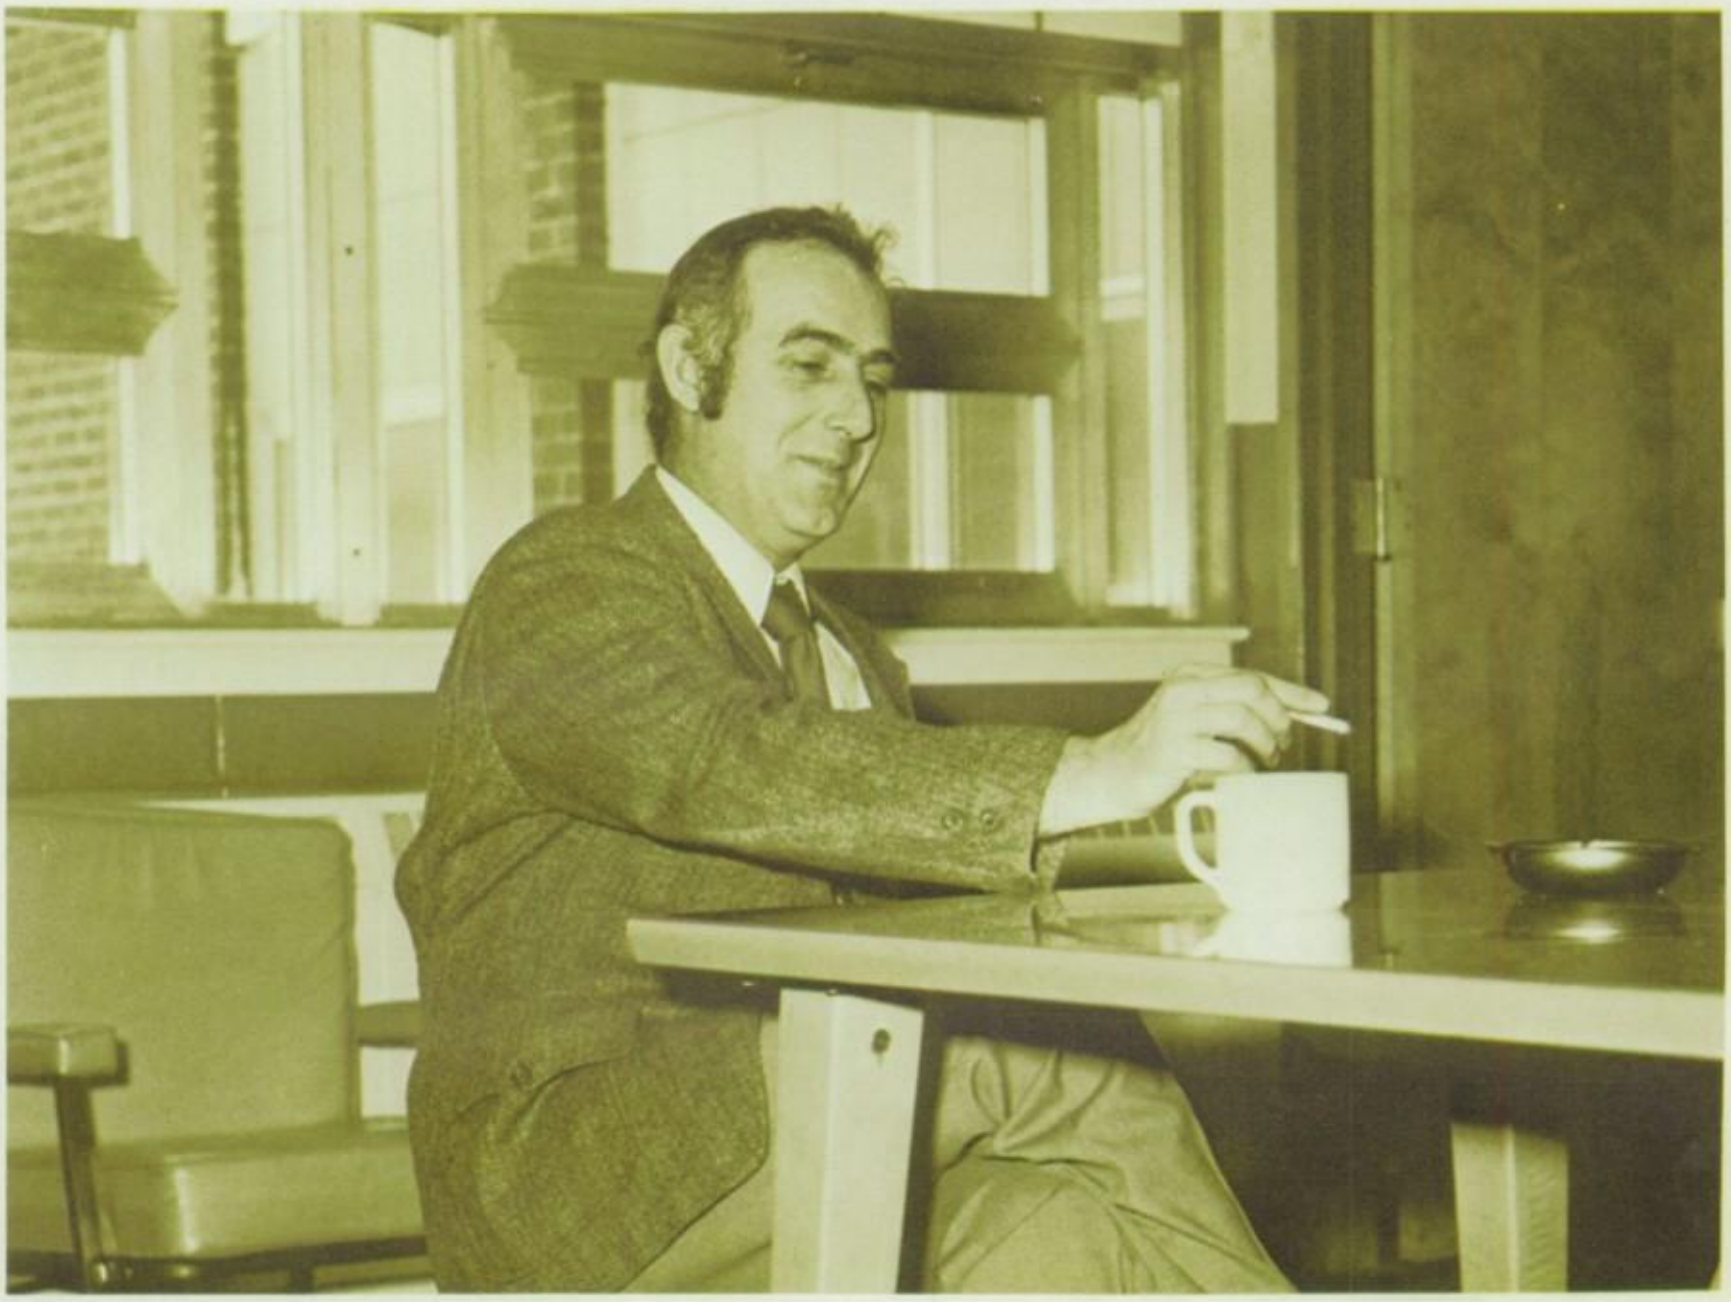
THE NORTHLAND

IN LOVING MEMORY OF SHERLENE COREY

DEC. 4, '57 — DEC. 29, '69

A December fire claimed the lives of three young children; two of whom belonged to Mr. and Mrs. Merlin Corey. Their eldest daughter, Sherlene, would have been a member of the graduating Class of '75. We would, therefore, like to contribute this page especially to Sherlene.

MR. CAMILLE ALBERT



Assistant principal. . .teacher of three subjects. . .disciplinarian. . . class advisor. . .friend. . .Who is he? Well, when you combine all of these jobs, you end up with a well-known face and a respected man by all.

We, the class of 1975, would like to dedicate the Northland to you in appreciation for all you have done for us.

Thank you.

THE BEGINNING . . .

The staff has tried to write something funny about the foot but since the foot wasn't meant to be funny, we can't think of anything funny to write. If you've had the heartbreak of athlete's foot, or experienced the pain of a huge bunion growing around a corn, or discovered you've got ten toes and only enough polish for eight, then you know what we're talking about. It's that horrible five-toed foot that just wasn't meant to be funny. Remember that time you went to the sock hop and realized your mother forgot how to darn holes? (What's the use you've found out you've got two left feet anyway!) Or how about that door frame that still has dents in it from the night you got up in the dark? I'll bet you haven't forgotten the old joke about forgetting to stamp the letter either. When's the last time you stepped on a tack? (PAIN) Been awakened by a chronic toe-tickler?

As Tommy Toe Tickler might say: Put your best foot forward for a step in the right direction on the footpath of life.

A reminder for the feet
  is long, long overdue.
A victim of the times
  forever hidden in a shoe.

And be it not forgotten,
  while the subject is on debate,
The prejudice it bore;
  an object of ridicule and hate.

Alas, that is but the beginning--
  let all be forlorn--
There are plagues of the feet:
  the sore and the corn.

It would seem totally unfair
  to be treated in such a way--
The two upholders of our people
  who serve without thought of pay.

So let none forget the noble feet
  who bore through pain and age
The trials and tribulations of the
  prophet and the sage.

Lisa,
I hope you have enjoyed your last year. I like it all write. I'll be glad when we graduate though, we probably won't remember each other latter on in life but what really matters is that we realize who are our friends now. You know it took me a long time to realize this but you can't live your life for someone else I hope you make life good for yourself. Your the only one who can. Take Care & Have Fun. A friend Always

HOMECOMING KING AND QUEEN FOR 1975 LENDALL TARR AND JUNE DRAKE

Chileans Visit W.D.H.S.

Carolina Arancibia and Mariori Danus arrived on Sunday, Jan. 12. Their visit lasted approximately two and a half months. During that time the girls traveled around the county and to different schools to talk about their country and customs. The girls also made many friends and became regular students at our school. The day before their departure, March 22, the girls were presented with an honorary diploma and a band letter. Many of us will always remember them as we hope they will always remember us.

LEFT TO RIGHT are Mrs. Margaret Campbell and Debbie Campbell who were hostesses to Mary Danus. Carolina Arancibia was the guest of Mrs. Shirley Churchill and Kathy Churchill.

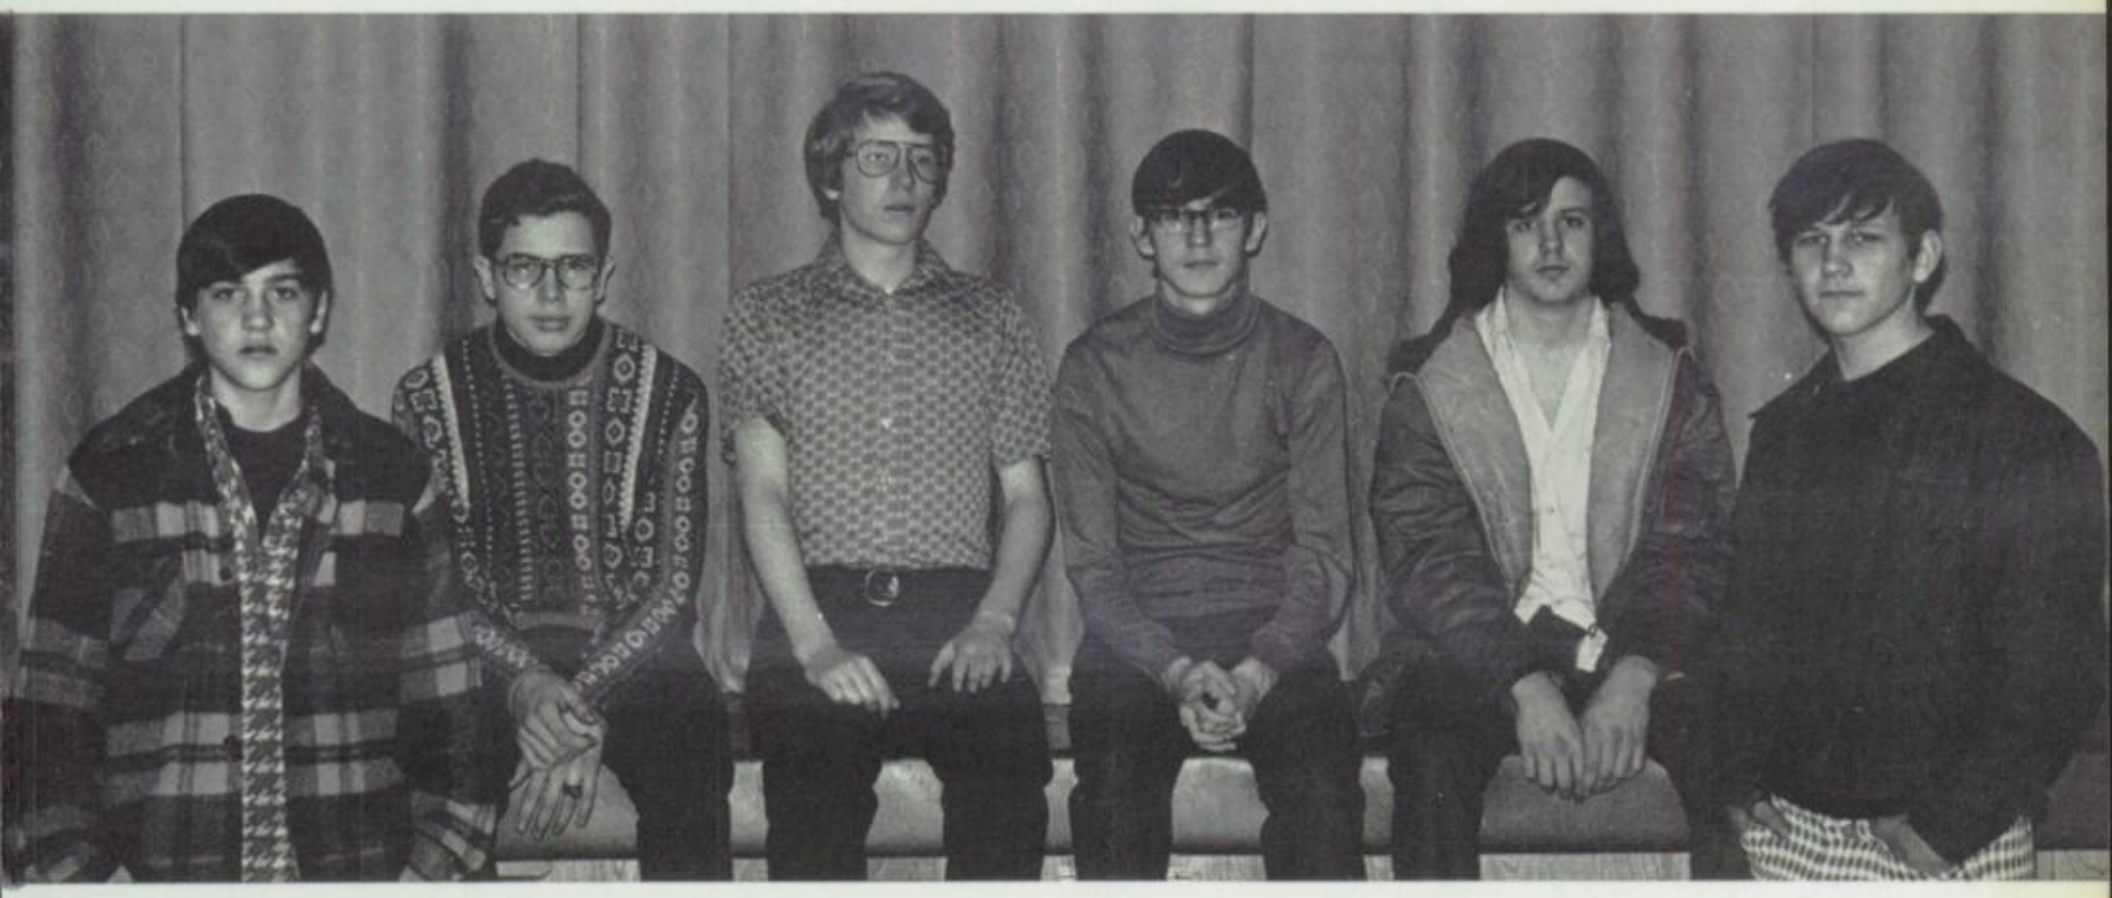
Both track teams did very well again this year. They have proven to be outstanding in quite a few events. The teams were not only competitive on the county level but also made themselves known on the state level. Such people are those listed and pictured below. Reuben Maynard would himself up to win the state track meet both in the 100 and the 220 yd. dashes and qualified to go on to the New England track meet. Jeffrey Tarbox also qualified for the state meet while Myron Whipkey broke two state records in the half-mile and the mile run and also qualified for the New Englands. Nancy Humphrey and Alice Skidgel brought recognition to their names in going to the state.

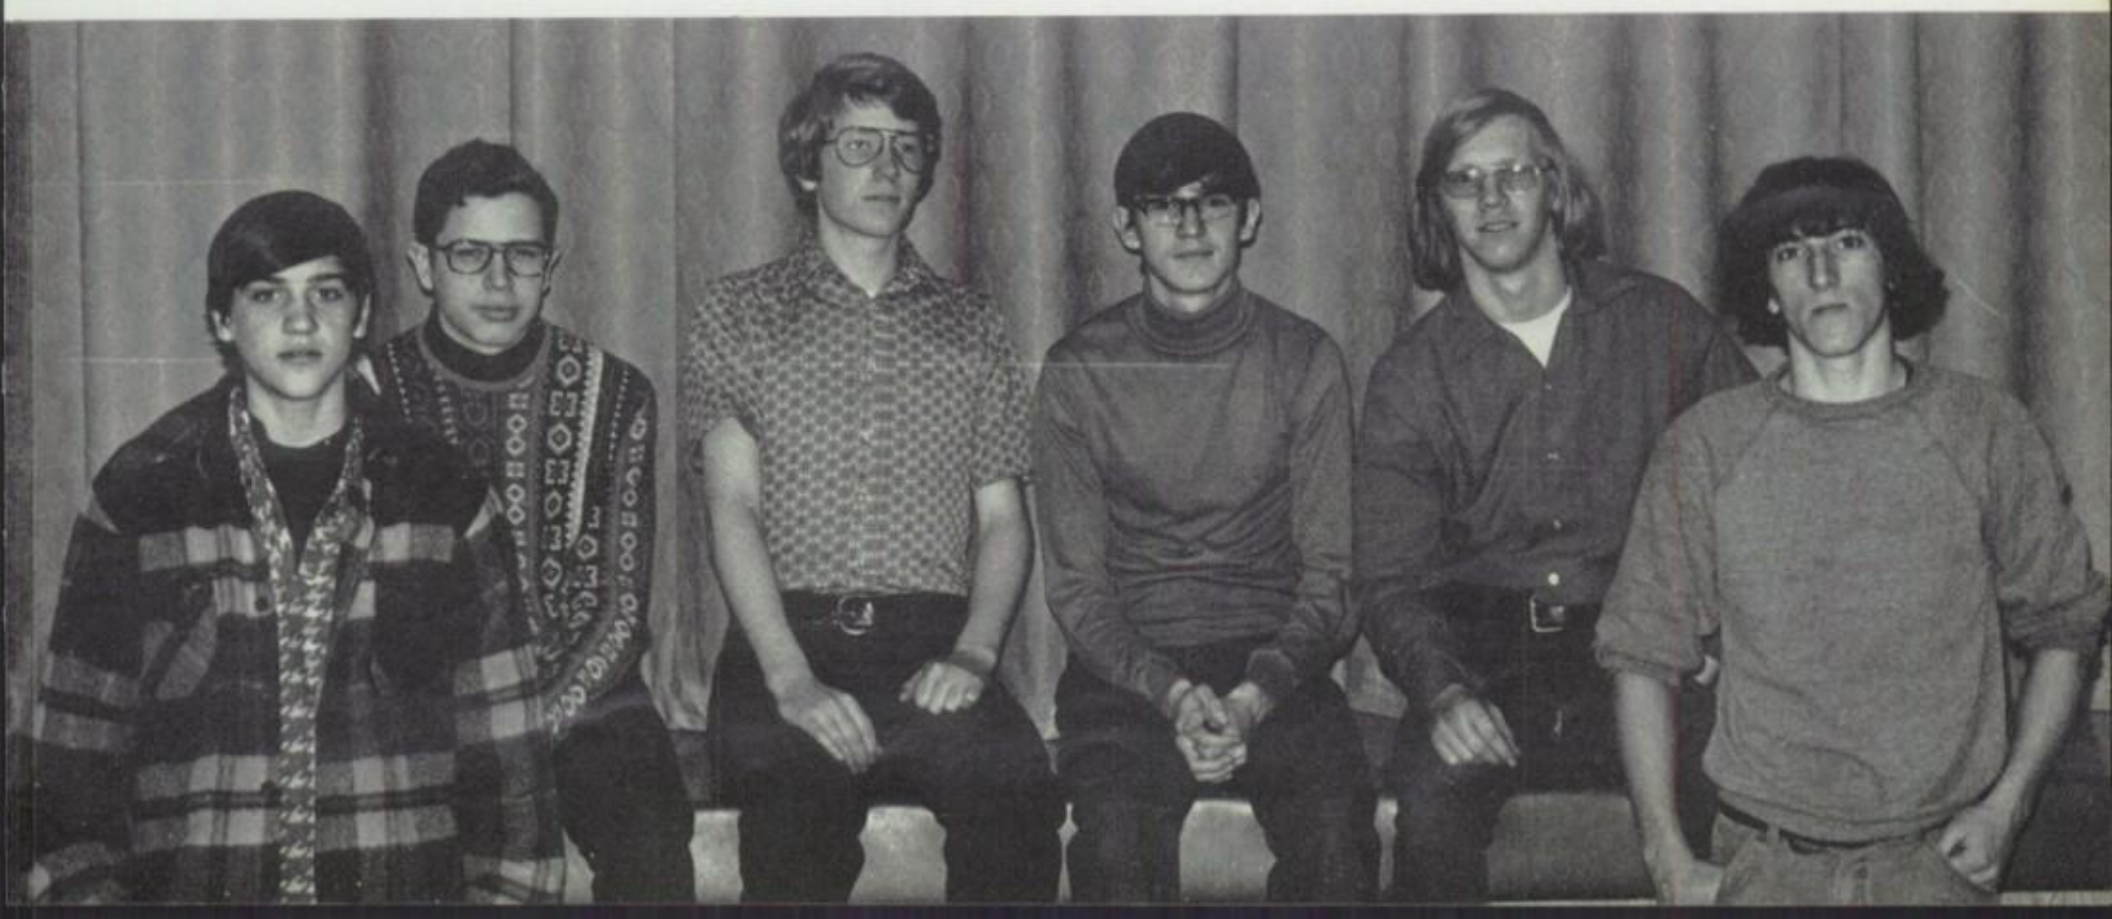
STATE FINALISTS: Reuben Maynard, Nancy Humphrey, Jeffrey Tarbox, Alice Skidgel, Myron Whipkey.

CHESS TEAM — 1975



David McKay, William Cooley, Michael McIntosh, James Charette, Harry Sherman, Steve Howe. The Chess team (PICTURED ABOVE) after just two short years of existence, crowned its 1975 season with the State of Maine Championship, achieving 13 1/2 points to top a field of 30 teams from around the state.

The six individuals (PICTURED BELOW) were invited to the State Individuals Championships in March, also. Four of the players scores were used to name Washburn as the best in the state. David McKay, William Cooley, Michael McIntosh, James Charette, Gerry Gorriveau, Kenneth Drost.

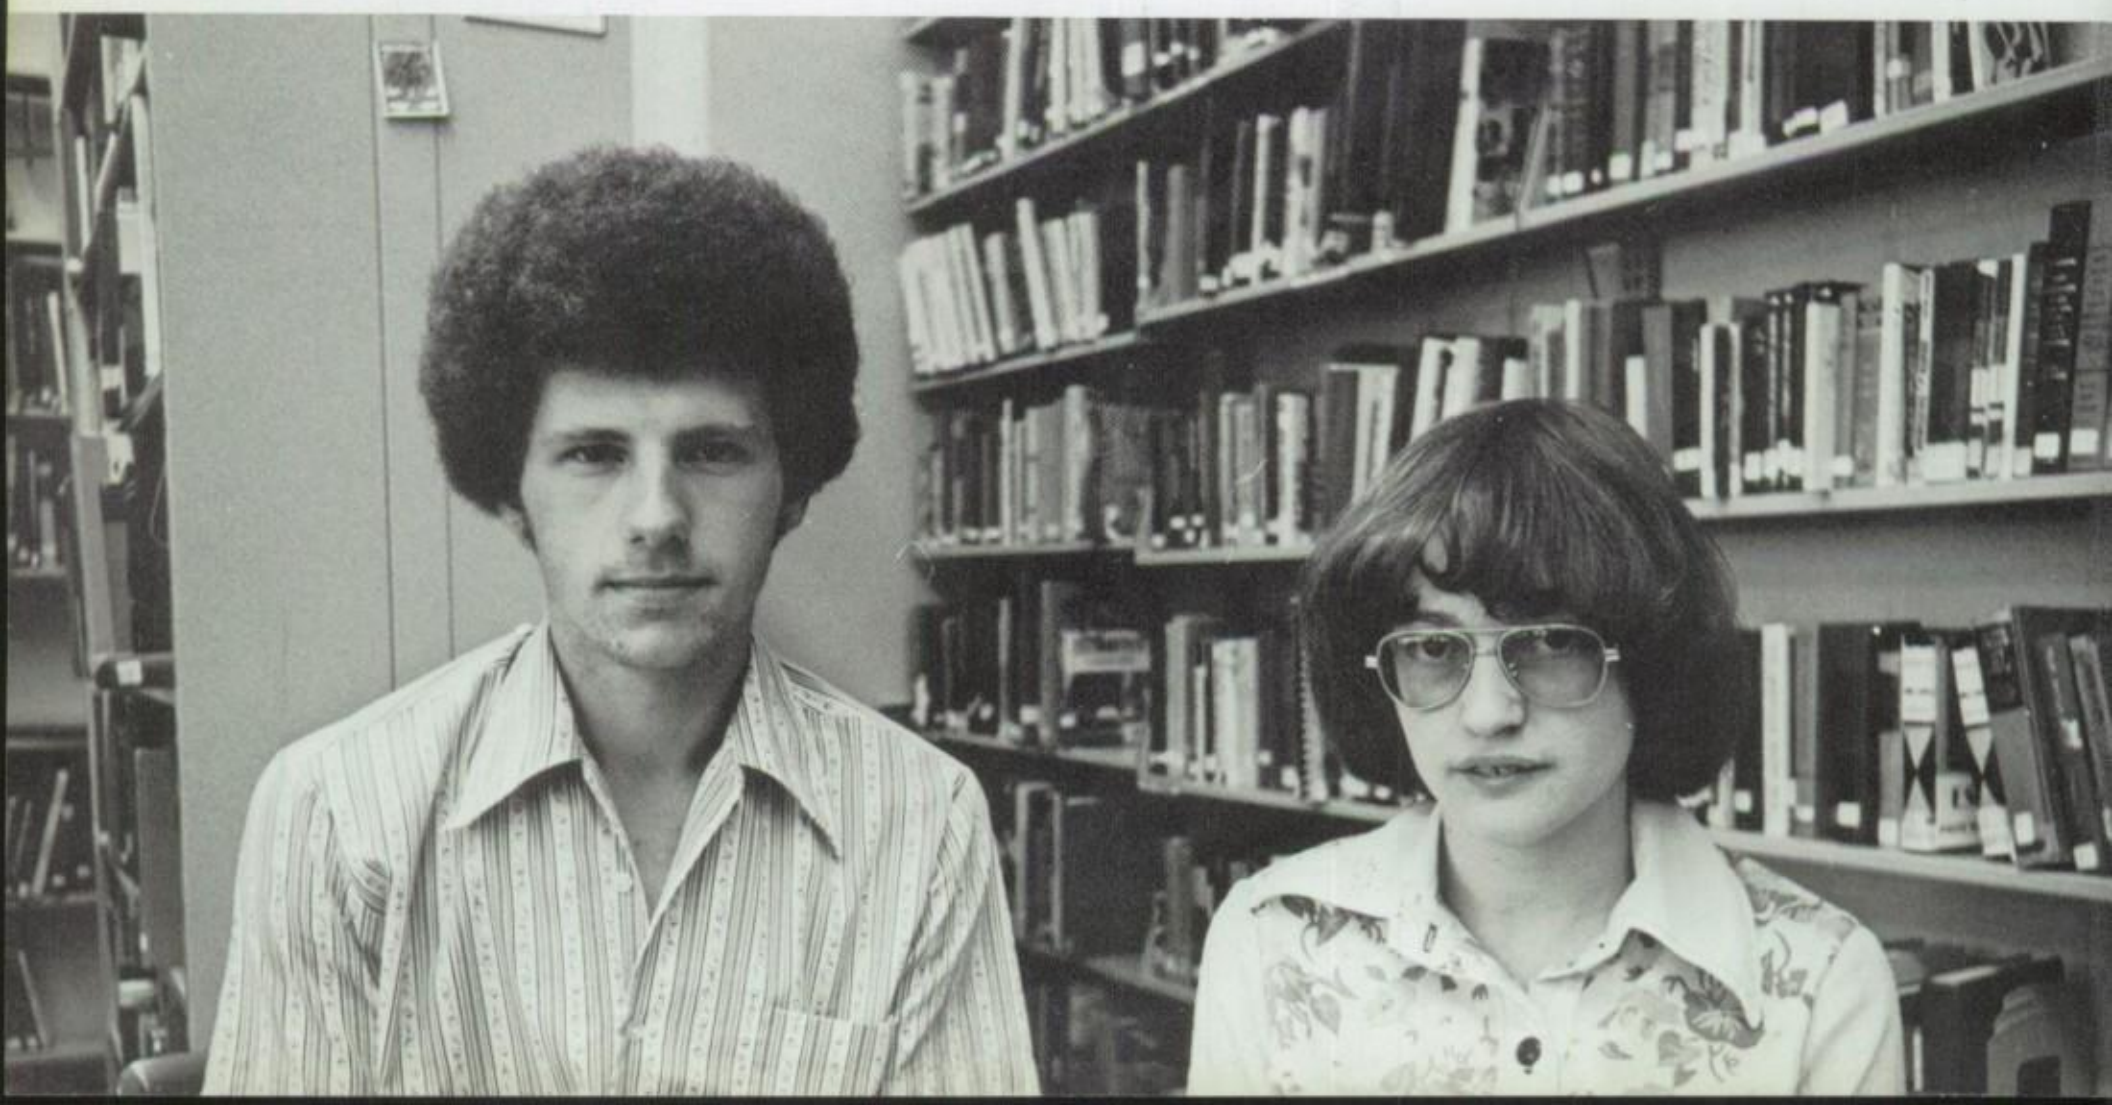


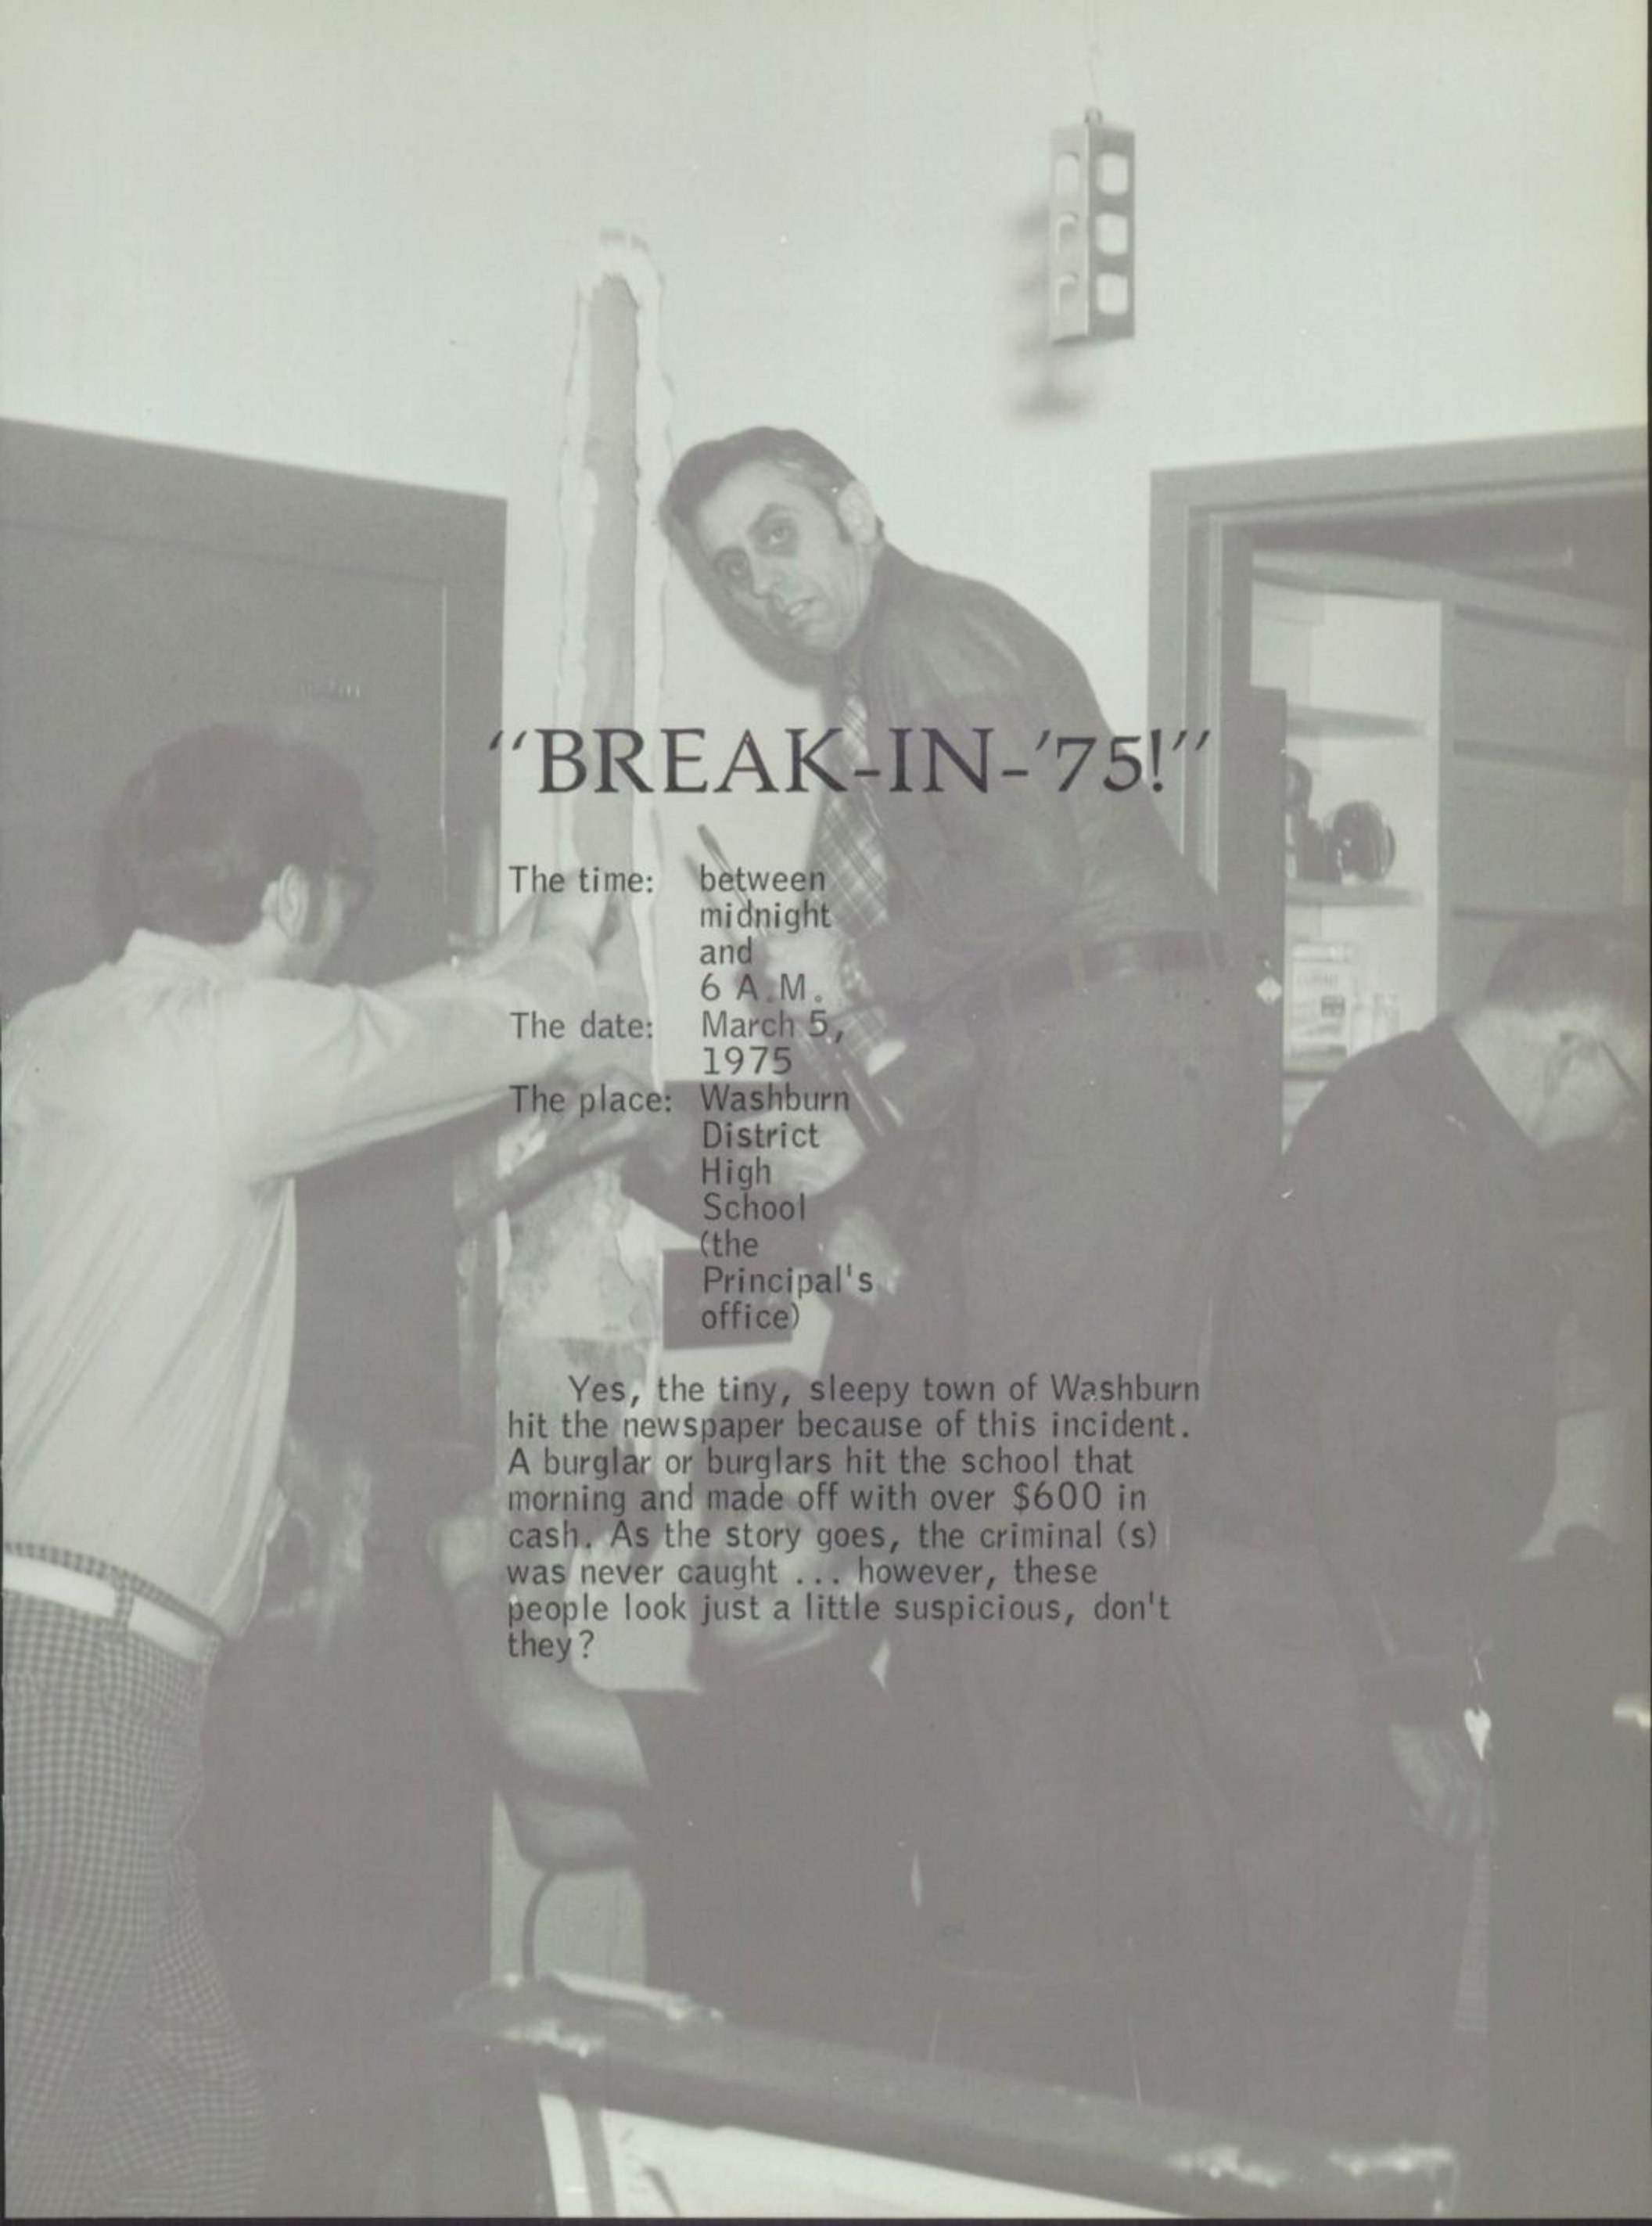
MISS WASHBURN 1975

The Miss Washburn Pagent was held May 9 this year. There was a good variety of talent and each girl did a very good job. The excitement for the girls rose as the moment of truth drew near. Cindy McNeal won the title with Janet Thompson as First Runner-Up. Kathy McKay was chosen by the contestants as Miss Congeniality. The contestants were Miss Kathy McKay, Miss Janet McNeal, and Miss Kim Meister (not pictured).

SPEAR SPEAKING

Terri Wilcox and Jeff Tarbox represented our school in the annual Spear Speaking Contest this spring. The county contest was held in Houlton. Terri's speech was "Patterns" by Amy Lowell and Jeff's was "Selections from the Prophet" by Kahlil Gibran. Terri placed first and went on to the State and finished fifth.





"BREAK-IN-'75!"

The time: between midnight and 6 A.M.
The date: March 5, 1975
The place: Washburn District High School (the Principal's office)

Yes, the tiny, sleepy town of Washburn hit the newspaper because of this incident. A burglar or burglars hit the school that morning and made off with over $600 in cash. As the story goes, the criminal (s) was never caught ... however, these people look just a little suspicious, don't they?

May 10, 1975 ... This was the date set for our Senior Banquet which was to be held at the Northeastland Hotel in Presque Isle. Among the usual guests such as Mr. & Mrs. Gauthier, Mr. & Mrs. Barnes, Mr. & Mrs. Albert, we added a few of our own. They were Mr. & Mrs. Timothy Humphrey, Mr. & Mrs. Martin Carlista, and Mrs. Betty Price.

Senior Banquet

"... Oh, isn't that nice?"

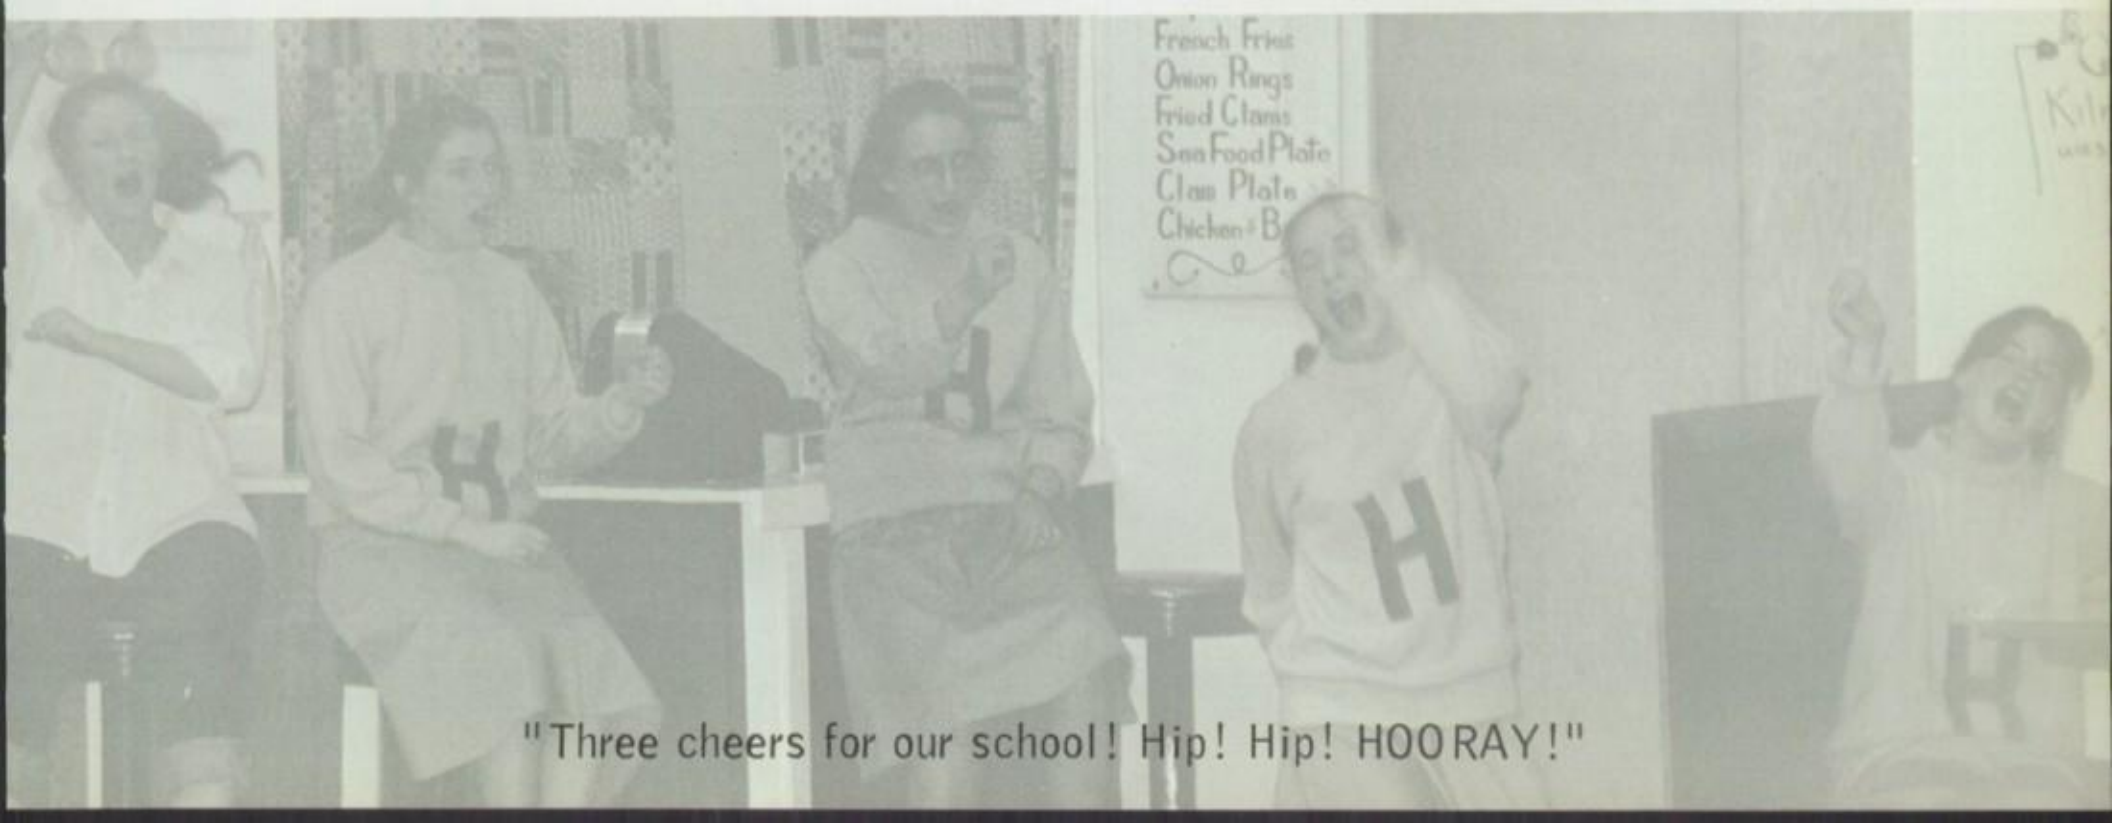
1975 SENIOR PLAY

Rock 'N' Roll — A Full-Length Musical

The Class of 1975 presented the first full-length musical in the history of W.D.H.S. on April 30, May 1 & 2. We spent many hours of hard work on our rehearsals but it really payed off. Mr. Humphrey, who we would like to thank, was our director.

"Look, you, why don't cha go lock yourself in your old man's bomb shelter, huh?"

"...Flower of Flowers...you are the rose petals in the scrapbook of my heart. You are the little red circles on the calendar of my love life..."



"Three cheers for our school! Hip! Hip! HOORAY!"

GRADUATION

Many of us thought the day would never come --the day of graduation. It did, however, and it meant many different things to the graduates. For some it meant freedom . . . for others it meant never being able to walk through the doors of

simplicity--the easy life again. For the most part, though, it meant that this was the place where we would leave the biggest part of our closest friends behind . . . maybe just for a while . . . and maybe forever . . .

Lisa,

I don't really know what to say because I see you each and every day, but I'll think of something. We've had a lot of great times together. Like smoking in the ~~basement~~ basement, middle, stall, getting drunk, double dating, and our Friday nights. How can you forget our Friday Nights. It's the only time we don't have to remember we've got parents. We can go out and do what ever we want. You are my best and dearest friend and I hope we always will. You are the only person who I can talk to about things I can't tell anybody else. You have gotten me out of rough problems and if it wasn't for you I might of gone crazy. Sometimes I don't listen and I know right along I should of because you are right about a lot of things. When you leave or when I do I sure am going to miss you. Maybe we will be together always, or like have an apartment or live in the same town. Well I ain't got much room to write anything else so I'll have to go. Well lots of luck and don't let anybody hurt you. Because it seems to me we are the only ones that do. AUGREA + F

These players and many talented newcomers, along with their capable leader Mr. Wolhaupter, assured the Washburn team another highly successful season in the county and a share of the limelight in state play.

The 1974-75 National Honor Society proved to be the largest group of students in the history of W.D.H.S. Our Chapter sponsored the fall county meeting which involved all schools with an active N.H.S. group in the Aroostook area. It was a success both in the enjoyment and the learning experiences for the participants. We are also looking forward to the spring state convention with great anticipation.

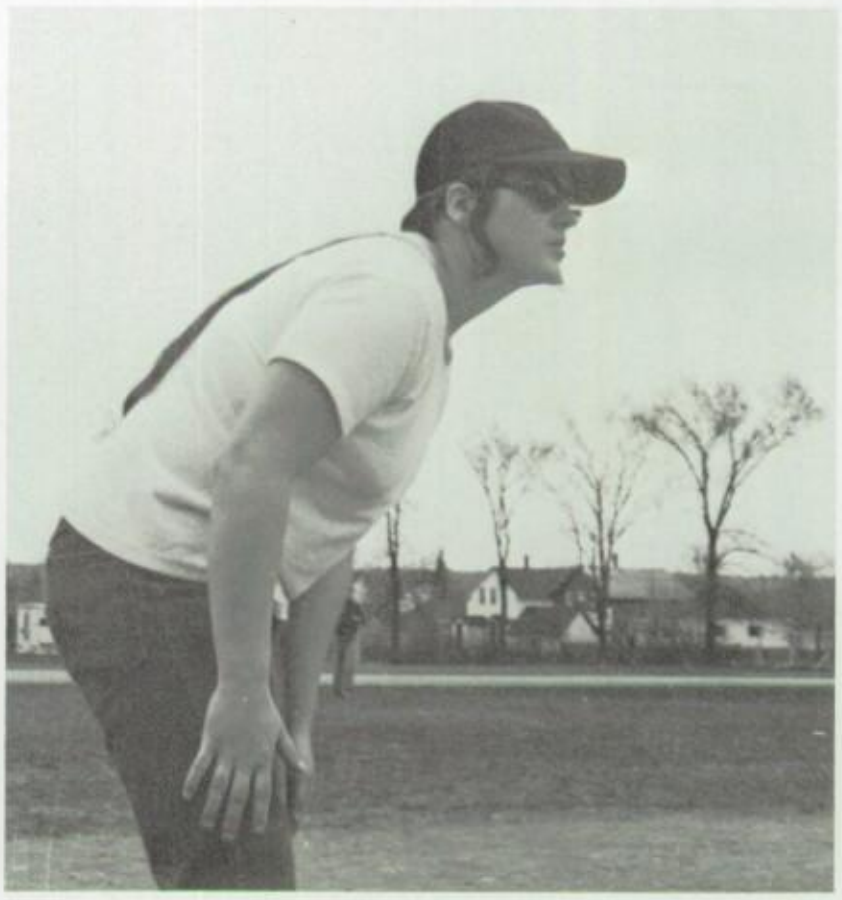
The girls met up with many good teams last year. The competition was sharp and the playing was rough. They played hard also but at all times showed good sportsmanship--even when Nancy Clayton got a tooth knocked out!

"You wait 'til I get my hands on her!"



Everyone looks so excited!

"Uh-oh...the photographer! Make it look good, Deb!"

"Gee, I wish there was something to do."

"Just 'cause it's your second strike isn't any reason to get so riled up!" said Holly.

Mr. Carleton Barnes-Superintendent

Mr. Richard Gauthier-Principal

Congratulations to the class of 1975! You have reached an important milestone in your lives. You go forth as full-fledged citizens, with all the rights of majority, at a critical time. You will be facing problems that may seem, at times, to be insurmountable. I hope that you will have the courage and the fortitude to face these problems head on and to ride out the storm. The world of the future will be what you make it. This will be perhaps the greatest test of your ability to cope with life's frustrations. May you have the good fortune to inherit what is good in the world and the strength to defeat what is not.

Sincerely,

Richard H. Gauthier
